Pattern color

the pattern can be used on the same color of the logo, but when it's on the same color of background, it changes to white

logo right way to use

logo color can be used on the same background ,but the Letter change to white only the color that had the same background color

logo wrong way to use

we can't change the strock of logo to another color like white ,don't change the distance between letter ,and don't put the logo on background with picture that wrong way to use logo
